

ArtXchange

Artist Submission Guidelines

ArtXchange Gallery is pleased to accept artwork submissions and exhibition proposals from interested artists who feel their work fits the ArtXchange mission.

We cannot accept walk-in submissions. We encourage interested artists to share their work with us in the following ways:

1. Email a resume and a link to website, digital portfolio or attach 2-3 images, to info@artxchange.org.
2. Mail resume, CD of digital images (preferred), or slides to us at 512 First Ave S, Seattle WA, 98104, United States of America. Include a SASE if you would like your materials returned.
3. ArtXchange holds open calls for juried group shows. Keep an eye on our website for information about these shows or email us with your interest and we will alert you by email when we hold our next open call.

All interested artists are welcome to submit. Due to the nature of art exhibitions, commitments to our established artists and scheduling constraints, we usually cannot offer new artists solo shows immediately. Please restrain from inquiring, except to verify that your materials were received.

If we find that your work fits our gallery mission, your materials will be added to our file. If we find that we have an appropriate exhibition opportunity for a new artist, we will contact you.

Thank you for your interest!
